

WHY SHOULD I SUPPORT THE DELPHI FOUNDATION?

The Delphi Foundation works to support the different areas of the fraternity, from the individual Chapters at the local level through to the National Fraternity office and National Alumni Association. One of the Foundation's greatest achievements has been the creation of an endowed scholarship program that provides individual brothers with educational scholarships.

One of Delphi's core beliefs is that for the fraternity to continue to grow and prosper it must have a solid financial base. To ensure that Delphi benefits all Brothers, different programs have been created to support each of the Fraternity's different areas. Your support can be directed to individual specific programs, such as the educational scholarship program, or you can request your donation be provided to one of the other programs Delphi offers.

If you or your Chapter has considered giving to Delphi in the past, but haven't, please contact us and we'll be glad to discuss what we can do for you. And remember, your support can come in several different forms.

THE DELPHI SCHOLARSHIP

The Delphi Foundation is proud to support the educational pursuit of the fraternity's individual brothers through our annual endowed scholarship program. The first scholarships were awarded for the 2008-2009 school year. Delphi is developing a legacy of this giving program and looks forward to awarding scholarships for the next school year.

To qualify, applicants must be a brother or neophyte in Delta Lambda Phi and must currently be a student working towards a certified degree at an institution of higher learning. Other criteria that the Scholarship panel will consider:

Academic Performance
Chapter Involvement
Community Service
Leadership
Financial Need

Delphi gives preference to active brothers, but welcomes all eligible brothers to apply. Applications will be accepted in the spring, with the recipient announcement scheduled for the National Convention that summer. Please see all specific requirements, restrictions, and guidelines online:

The scholarship is underwritten through individual and corporate donations to the Delphi Foundation made specifically to the scholarship fund. Donations made to the Delphi Foundation are used to provide these scholarships.

WHY DO WE NEED A SCHOLARSHIP?

Through the Delphi Foundation Scholarship, the purpose and ideals of Delta Lambda Phi, National Social Fraternity, are disseminated through the recipients. It allows the fraternity to promote the future academic opportunity and recognize outstanding brothers.

In today's world, a quality education is paramount to all other factors for long term success. Through the Delphi Scholarship, Delta Lambda Phi plays a role in the development of not only the individual brother, but also the larger overall community.

Promotion of the Delphi Scholarship program will also directly benefit Chapters in recruiting efforts, academic excellence, and strengthening the bonds of brotherhood. Strong chapters ensure that the beneficial work of Delta Lambda Phi continues.

HOW CAN I APPLY?

The only requirements to apply for Delphi Scholarships are:

- brother or neophyte of Delta Lambda Phi National Social Fraternity
